POST OFFICE.

NOTIFICATION 3.

Calcutta, the 6th January 1872.

The opening of the tunnel through Mount Cenis having shortened the journey between Brindisi and Calais, the mails passing between India and the United Kingdom, will in future be sent through France instead of by Germany, and will thus travel *viâ* Brindisi, Mount Cenis, and Calais.

2. The postage of letters, book packets, and patterns will remain unaltered, but a liberal concession granted by the French Government on the French transit rate of newspapers destined for transit through France, will result in the reduction from four pence (or two annas eight pies), to three pence (or two annas), on a newspaper not exceeding four ounces in weight. Thus the new rate on newspapers passing between this country and the United Kingdom will be the same as it was formerly when the mails were forwarded *viâ* Marseilles.

3. Similarly the rate on newspapers, sent *viâ* Brindisi and France through the United Kingdom, will be reduced by one penny, or eight pies.

4. Immediate effect is to be given to this reduction.

5. In future no mail for the United Kingdom will travel through Germany, but the whole Brindisi mail for the United Kingdom will be sent through France.

The 8th January 1872.

British Columbia having become a part of the Dominion of Canada, all correspondence for that Province (including that for Vancouver's Island), will henceforth be chargeable with the same rates of postage, and will be subject to the same regulations of transmission, as correspondence for other parts of Canada.

Offg. Dir. Genl. of the Post Office of India.

NOTIFICATION.

Calcutta, the 26th March 1872.

In order to avoid detention at Galle of the English Mail for Australia, it has been arranged that the mail packet for Australia shall leave Galle immediately after the Steamer from Suez arrives at that place. The mail packet for Australia will thus ordinarily leave Galle before the mail packet timed to start from Bombay on Tuesday (or Monday in the monsoon season) reaches Galle: and it has therefore been arranged that an extra Steamer shall leave Bombay every fourth Saturday (afternoon), commencing with Saturday the 6th April. All correspondence posted in India for Australia will therefore be forwarded *via* Bombay by this extra packet.
